

## **About Ingrid Peters**

Ingrid Peters, the Pee Wee Princess of the House of Norway was introduced to the HoN when she was 5 years old. She started to help out as a junior hostess serving waffles on Sundays when her mother was hosting Open House. Ingrid joined the HPR Queens Organization fall of 2016 when she turned 8 years old. This is Ingrid's first year in the organization, and she has truly enjoyed the experience and be a part of the Queens Organization.

Ingrid was born in San Diego in 2008. She is currently in 3rd grade at Curie Elementary School in University City. Ingrid is a very active girl. She plays Basketball, Softball and Golf, and also wants to start playing the violin. As a true Southern California native, she loves the beach and spends as much time at the beach and swimming as she can.

## **Family**

Ingrid has a younger sister, Alexandra, who is 7 years old. Alexandra is also active in the House of Norway and helping out with hosting duties on Sundays!

Ingrid's mother is Norwegian and comes from the north-western part of Norway, in Møre and Romsdal County. Ingrid's father is from Milwaukee, WI, but has resided in Southern California since 1987.

The family visits Norway annually, Ingrid's favorite part of year to visit in winter/Christmas time when she gets to play in the snow, that we don't have here in San Diego!
